

Greetings Potential Sponsor,

The Kids Junior Rodeo Association of North Texas is established as an extraordinary youth rodeo association. KJRA utilizes our association to see our contestants learn and they begin and continue their rodeo journey. KJRA is a nonprofit organization, so your sponsorship is tax deductible. The rodeo season begins in September and finalizes in May with our KJRA rodeo finals, held at the Young County Arena in Graham, Texas.

Sponsors are needed for finals awards. We give year-end saddles, buckles, and other awards for placings. All the sponsor packets are customizable. If you would like to sponsor a specific event, or award you or your business will receive the advertising credit for you level of sponsorship.

Thank you very much for your time, consideration, and support.
